

Cleaning and Care instructions:

Acrylic & Polycarbonate:

We recommend using antibacterial soap (or dish soap) and warm water. Wipe off fingerprints and light soil with a microfiber cloth or dampened soft cloth, rag or sponge and wipe dry with a soft cloth to eliminate streaks.

DO NOT use Windex or any glass cleaner that contains ammonia, alcohol, hydrogen peroxide or vinegar. Do not use Formula 409 as it can cause discoloration.

DO NOT use bleach or cleaners that contain bleach or other solvents.

DO NOT use cleaning products that contain abrasives, such as scouring cleanser (e.g. Comet).

DO NOT use cleaning pads made from plastic or steel wool as these will scratch the surface.

Acrylic & Polycarbonate Suggested Cleaning Products:

- Dawn Dish Soap
- Gain Ultra Dish Washing Liquid
- Simple Green All Purpose Cleaner
- Sparkling Lemon & Sunflower Essence
- Palmolive Dish Soap

Cleaning and Care instructions:

PVC:

PVC offers outstanding durability and chemical resistance. PVC is the most cleanable rigid transparent material for indoor protective barriers and dividers.

PVC can be safely cleaned with most commercial glass-cleaning products that contain alcohol or ammonia.

Antibacterial soap (or dish soap) and warm water are recommended.

Wipe off fingerprints and light soil with a microfiber cloth or dampened soft cloth, rag or sponge and wipe dry with a soft cloth to eliminate streaks.

DO NOT use cleaning products that contain abrasives, such as scouring cleanser (e.g. Comet).

DO NOT use cleaning pads made from plastic or steel wool as these will scratch the surface.

PVC Suggested Cleaning Products:

- Dawn Dish Soap
- Diversey Virex Tb
- Gain Ultra Dish Washing Liquid
- Lysol Clean & Fresh Multi-Surface Cleaner
- Sparkling Lemon & Sunflower Essence
- Metrex CaviCide
- Palmolive Dish Soap
- Clorox or Bleach
- Sporidicin
- Hydrogen Peroxide 3%
- Isopropyl Alcohol 70%
- Windex Multi-surface Disinfectant Cleaner
- Windex Original
- Windex Original with Ammonia-D
- Windex with Vinegar
- Note: 409 is NOT recommended as it can cause discoloration

Safe Engage Warranty Information

Allied Plastics Co., Inc. warrants for a period of 1 year, every Allied Safe Engage product PVC and Acrylic will be free from defects in workmanship and material under normal use, maintenance, cleaning and service. All moving parts, to include but not limited to caster, frames, and metal mounting brackets, are warranted for 5 years against defects in workmanship or manufacture under normal use and service. Allied's obligation under this warranty is limited to the replacement or repair, at Allied's option completely, without charge for material or labor, of any part found defective by Allied. Shipping charges remain the responsibility of the purchaser.

This warranty is in lieu of all other warranties expressed or implied, and any representations or promises inconsistent with or in addition to this warranty are unauthorized and shall not be binding upon Allied. In no event shall Allied be liable for any special or consequential damages, whether or not foreseeable.

This warranty shall be void if the product has been subjected to misuse, improper maintenance, improper cleaning or has been damaged by negligence or accident, or if it has been repaired or altered by other than authorized agents of Allied.

Acrylic and PVC products have very specific cleaning requirements and failure to do maintenance with the proper materials will void the warranty and shorten the useful life of the product.
