Teacher Desks

Single Pedestal, Bullet Top

The Bullet Top teacher's desk combines practicality with collaboration. Its rounded end invites students to gather for one-on-one or small group instruction, while still offering ample workspace for teachers. Lockable drawers provide secure storage for supplies, managed with a key system that ensures only authorized access. Sized to fit task chairs comfortably, the desk supports both productivity and engagement, giving teachers a flexible hub for classroom learning.

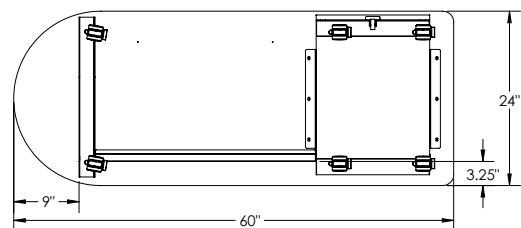

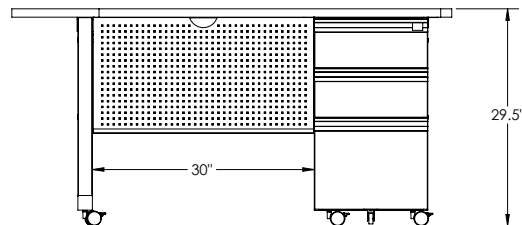

Teacher Desk with Bullet shaped top shown in Fusion Maple HPL, with matching Fusion Maple Edgeband.
